WELCOME TO KENTON

Picture this: you've got all your bowls and pans out, preparing a warm meal with your family, teaching the little ones a generation-old recipe, and making new memories right on your kitchen island. Maybe it's where you connect at the end of a tough day at work with your loved one in front of your TV unit, or maybe it's where you treat yourself to a relaxing self-care day across your bathroom vanity to escape all your day-to-day stresses.

That's what a great living space does; it brings you and your loved ones all together in one spot, sharing the joy of a great conversation and a great time, and that's exactly what Kenton wants to bring to you.

We are aiming to create more than just furniture; we want to create special moments, because collectively, these moments are what make up our lives. All of that with sustainability in mind and exceptional value for your investment.

What Makes Kenton Different?

Sustainability

We know that in our current times sustainability plays a big role in how we move our society forward and therefore Kenton focuses on bettering our ecological system through manufacturing, power consumption and waste management all the way through to longevity of our products without sacrificing quality and aesthetics.

Value

We know you have big goals in life, and you shouldn't have to decide between having the furniture of your dreams and them. Kenton allows you to bring your vision to life without breaking your budget.

Customization

Have a certain concept in mind and unsure how to bring it to life? Kenton can help you out with its customization process that simplifies the entire process for you.

Vision

We are investing in the growth of our business with our customer experience at the center of our attention, through value, sustainability and exceptional timeless design.

Mission

At Kenton, our mission is to create memories that last a lifetime. We believe that the right home furnishing is at the essence of a harmonious living space, and that every household deserves appealing, functional and sustainable living solutions that they can enjoy for years to come.

KITCHEN

01 MODERN

| Neom

Neom presents a distinctive blend of opulence with its unique fusion of sleek marble and warm, rich wood. This avant-garde design creates an ambiance that is both modern and inviting, transforming your space into a masterpiece of elegance.

| LUNA

With its unique ribbed glass design and neutral colour palette, the Luna kitchen will add perfect harmony and balance to any kitchen space.

Available in light colors

| LUMINO

The Lumino kitchen boasts a distinctive ribbed glass design that sets it apart from conventional kitchen aesthetics. The ribbed glass introduces a unique visual texture, creating a dynamic and engaging atmosphere within the kitchen space. The choice of neutral tones ensures that the kitchen seamlessly integrates with different design styles and color schemes.

| Maple

The warmth and the charm of wood interpreted and celebrated in a modern way.

| Ophelia

Comes from a new concept of living, the Ophelia reinterprets lines and functionality.

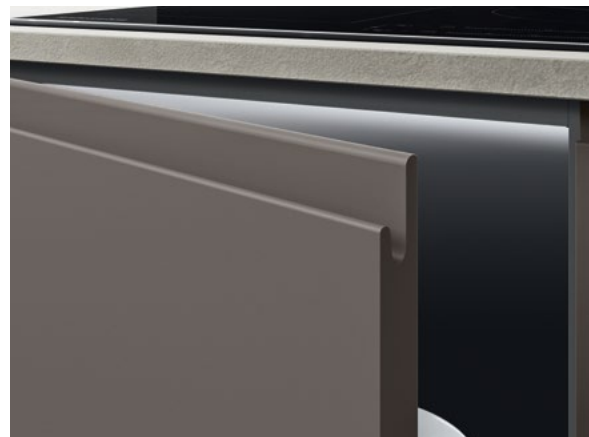

| Pascal

The disappearance of the external handles in favor of the groove handle grip and the "living" elements complete the logic of open space, creating coordinated, coherent and harmonious environments.

| Knox

This kitchen has an alluring, minimal design but it is extremely hard-wearing, with significant volumes that make ample room for composition possibilities.

| Olympia

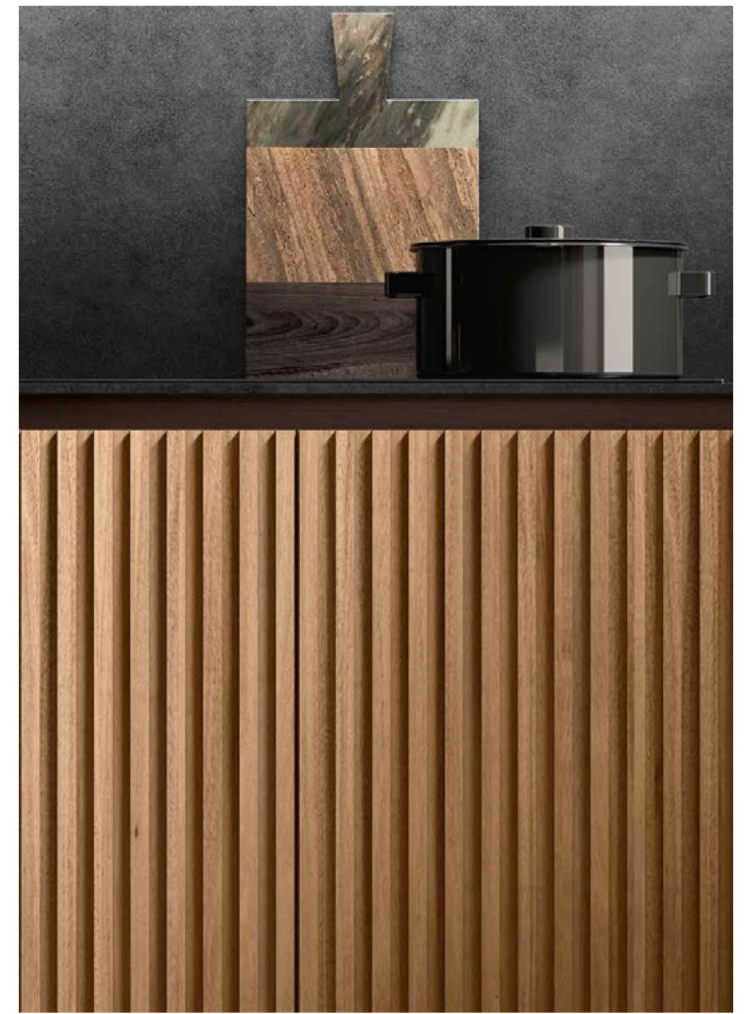

Olympia transforms the home environment by evolving the concept of linearity, cleanliness and practicality of living environments.

| Truro

A majestic balance dosed with pure forms, noble and contemporary materials.

| Bexley

Minimalism and function combined, exuding modern elegance and enhancing the practicality of daily life.

| Penny

Experience a simple modern design with an industrial touch.

| Cove

Traditional concept of decoration disappears in favour of absolute harmony, expressed in a system of large organic and functional masses.

| Mayfair

An everyday presence that is beyond time, standards and trends. Every curve, every contour, and every surface is meticulously considered with Mayfair.

Lusso

Textured and silky finishes to the touch combined with metals and flashes of colour.

| Trento

Dramatic hues with an excellent choice of material and one of the best organized displays.

| Nova

An exemplary counterpoint between exquisite materials, natural essences and metals.

| Ember

Exuding sophistication, Ember's each piece features a black plinth and groove detailing for timeless elegance. Black metal accents highlight the industrial aesthetic, creating a harmonious blend of style and comforting warmth.

| Pano

A perfect fusion of decorative and functional elements, this one-line kitchen design maximizes efficiency and practicality, creating a space where style meets productivity with effortless harmony.

| Hue

Featuring distinctive metal details, open units, and a captivating concrete effect, this kitchen defies the ordinary. Complemented by sleek leather chairs that harmonize with the concrete and black accents, it transcends the conventional, offering a bold and unique culinary environment that redefines expectations.

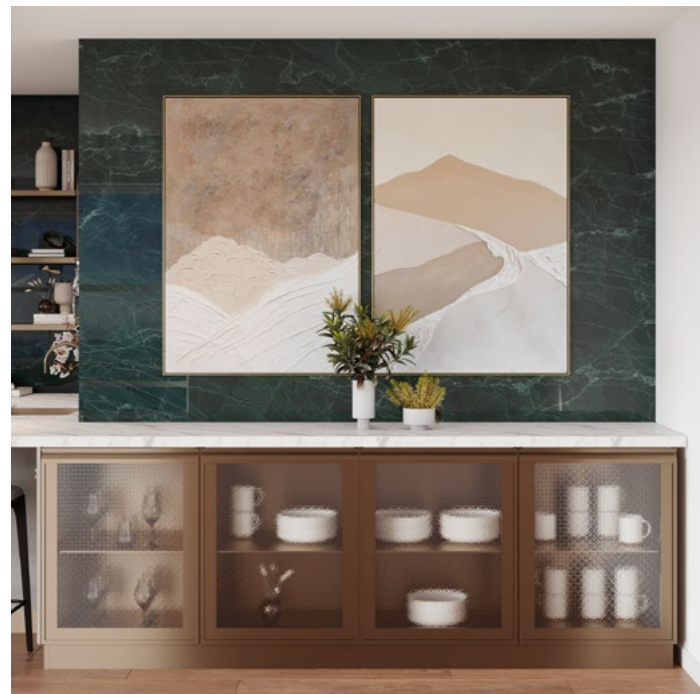

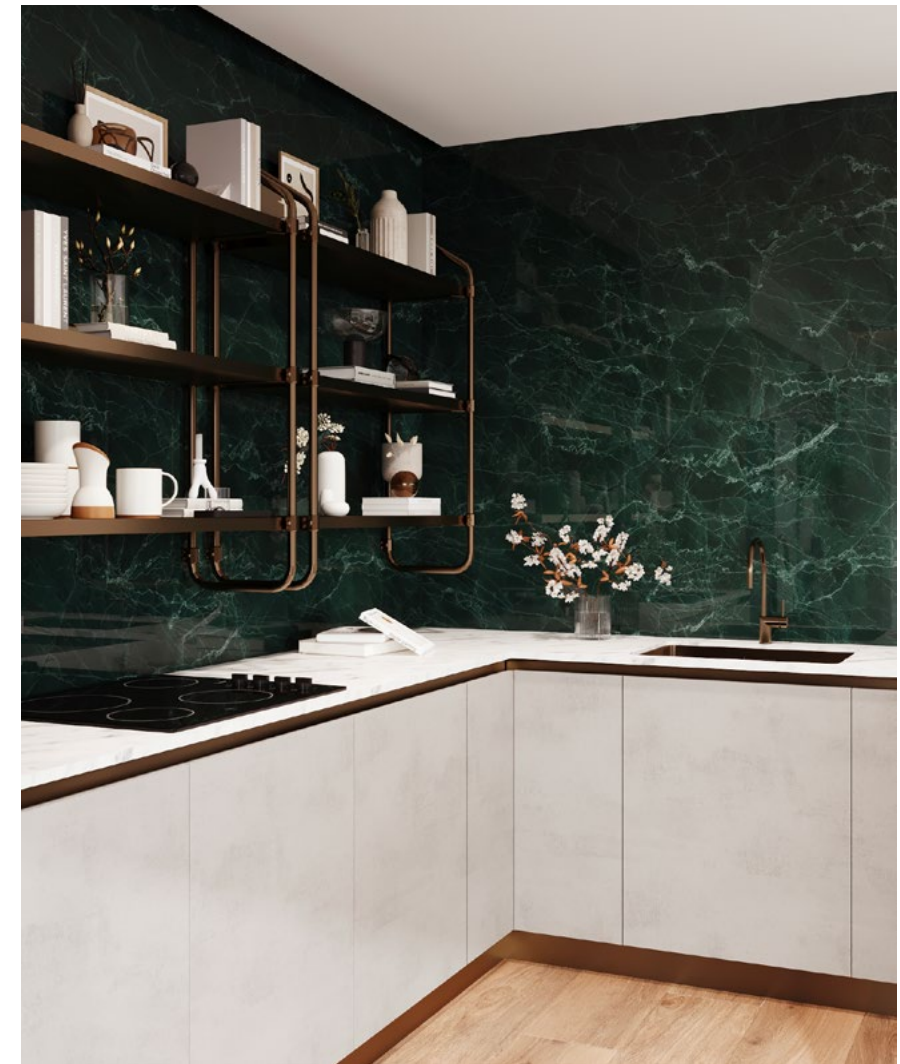

Brezza

Enjoy your breakfast with a breathtaking view as the earthy elements seamlessly blend with the luxurious touch of white marble, creating an inviting and stylish culinary space.

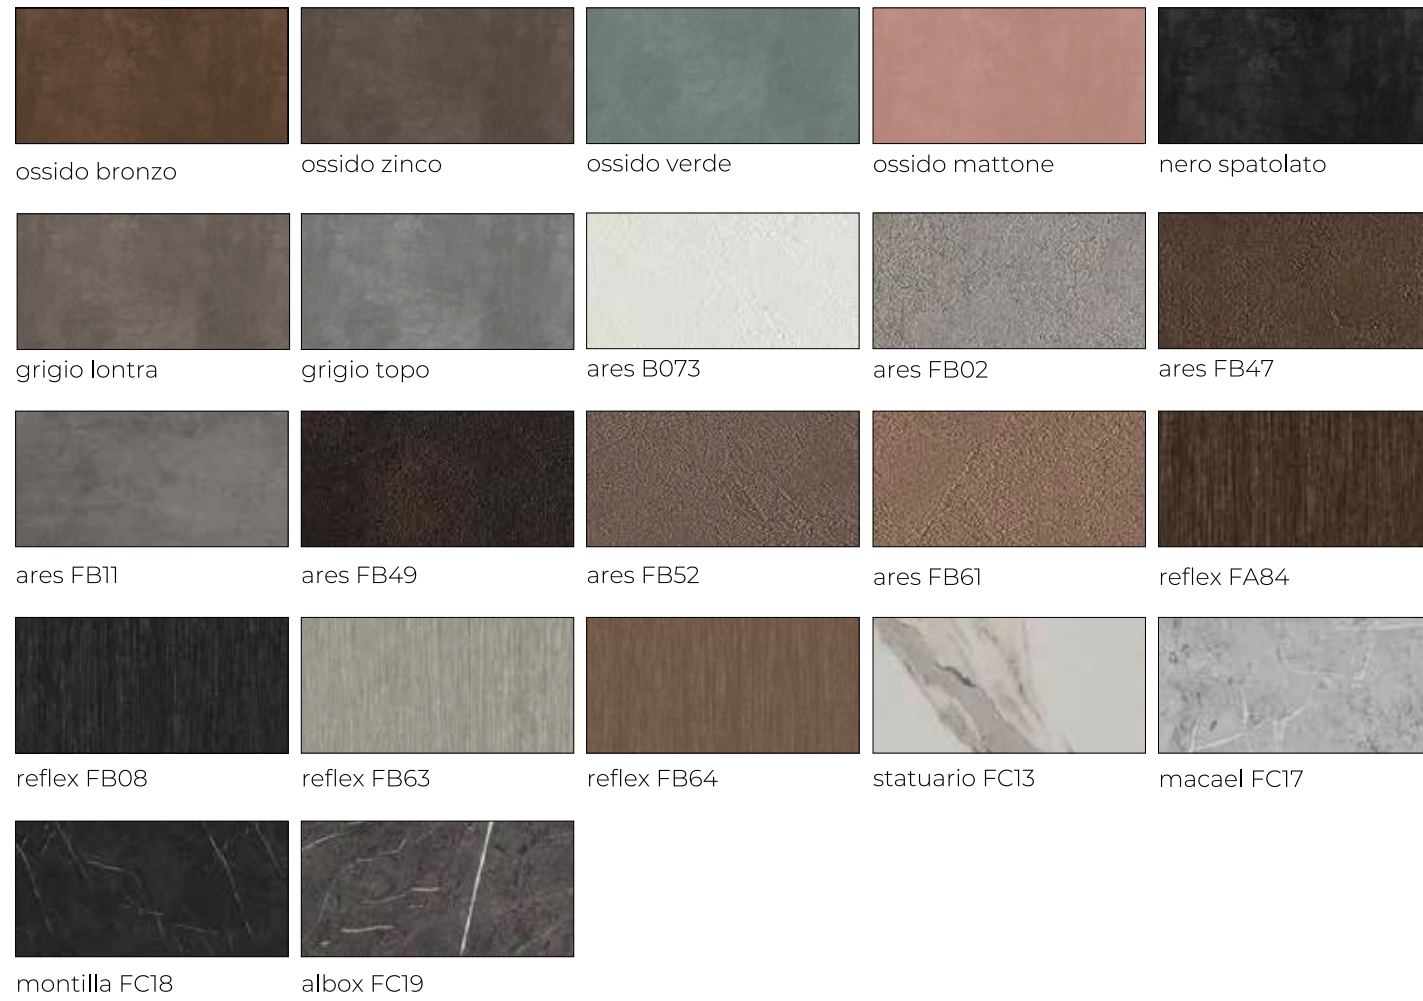

| Aura

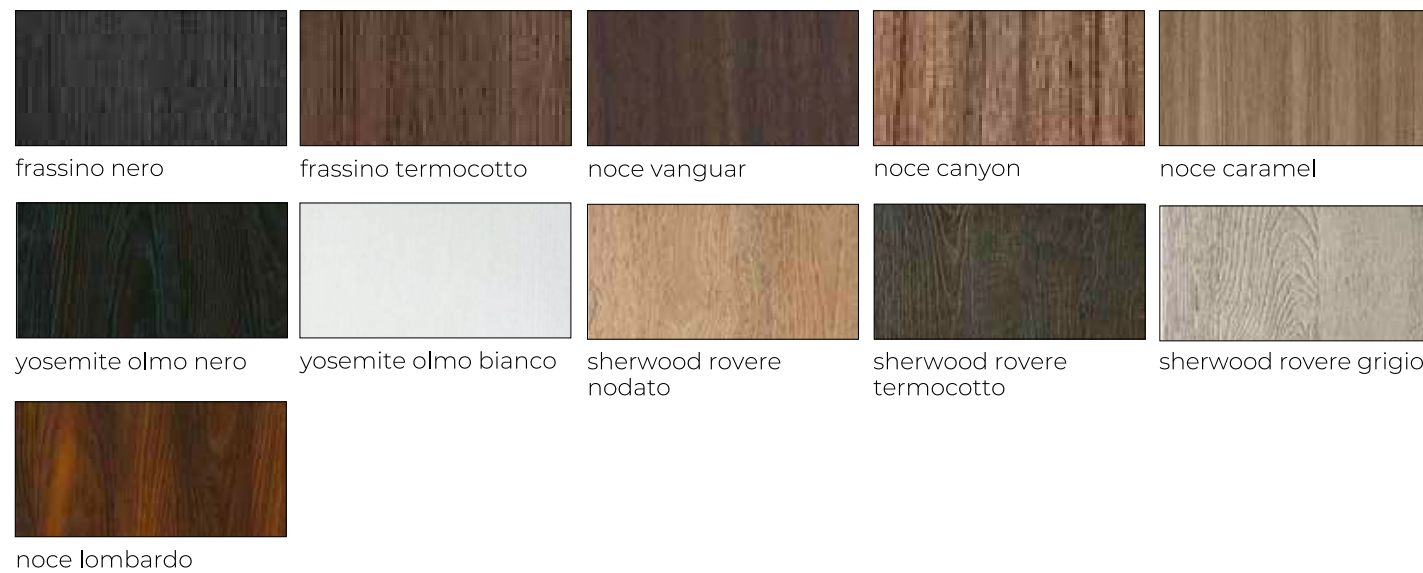

A seamless blend of functionality and design sharing the same finish. Ideal for small spaces and smartly crafted for small apartments, this innovative solution features metal shelving details for a contemporary touch.
